LeadingAge Illinois is a statewide association dedicated to representing the leading providers of the complete continuum of services for older adults, including nursing care, assisted and supportive living, senior housing and home and community based services. LeadingAge Illinois is nationally recognized for its innovative programs, leadership and expertise on issues related to long term care and senior housing and services. Along with our national partners, LeadingAge and Argentum (previously the Assisted Living Federation of America (ALFA)), LeadingAge Illinois is highly committed to the advancement of quality and innovation in older adult services.

NEWSLETTER

eNews is our bi-weekly newsletter that will keep you well-informed on breaking news and ongoing trends in the industry as well as association updates and news. It is cited as the most valuable benefit by our members.

WEBSITE

www.LeadinAgeIL.org will provide you with real-time access to helpful links to industry related sites, Resource Library, education information, member services and other association activities.

ONLINE MEMBERSHIP DIRECTORY

Complete directory of all LeadingAge Illinois provider members and business members. It includes contact information such as addresses, phone numbers and websites.

EDUCATION

SPECIALIZED PROGRAMS

Assisted Living Boot Camp

This two-day workshop gives new and not-so-new Assisted Living operators and managers a deep dive into the Illinois' Assisted Living and Shared Housing Act.

Leading Excellence in Memory Care & Dementia Services

This six-day education program is designed to promote person-centered care for those with dementia.

Leadership Academy

Learn the components of leadership required to transform the future of aging services.

WEBINARS

We offer numerous webinars on topics of interest to various levels of staff. This format is popular among members for its efficient, cost effective means of transmitting information and education and is especially useful for relaying time-sensitive information on key issues.

PUBLIC POLICY

LeadingAge Illinois' public policy goal is to advocate for legislation that will positively influence your daily operations and contribute to your future growth. We advocate for consumer-friendly legislation that will allow you the flexibility to provide quality service while meeting the demands of your customers. The objectives of the LeadingAge Illinois public policy agenda include, but are not limited to: obtaining adequate reimbursement to all to allow you to maintain and improve quality to your customers, preserving the Assisted Living social model of service, reducing redundant and innovation-stifling regulations, promoting resident/customer directed care and services, developing consumer protection standards, and preserving and promoting the growth of the Supportive Living Program.

COST SAVING SOLUTIONS WITH VALUE 1ST

LeadingAge Illinois is an owner of Value 1st, an exciting new business model for group purchasing designed by and for aging services professionals. This free benefit to our members allows access to nationally negotiated pricing for a wide array of goods and services. Value 1st has the best

Choices ■ Solutions ■ Savings

of what you need to run your community day-to-day, and the potential for significant savings exclusively designed for LeadingAge Illinois members. Some vendors include; construction services, food distributors, medical supplies, facility operations, furniture, equipment, and technology. Cost studies are free for members!

DATA REPORTS & INDUSTRY TRENDS

SALARY SURVEY REPORT

Conducted annually, this tool provides members with a vast amount of comparative wage and salary data that is segmented to meet an individual organization's needs. LeadingAge Illinois' salary survey provides members with the ability to compare their organization with others in terms of services offered, regional area, etc.

LEADINGAGE INSIGHTS

LeadingAge Insights is a collection of tools to help non-profit members better understand their own performance and their market position. With the added advantage of easy access to experts in the field, these tools help members improve their performance and competitiveness. Operated as a partnership of LeadingAge and LeadingAge Illinois, these tools are available free of charge to LeadingAge non-profit provider members.

InQ EXPERIENCE SURVEY

The inQ Annual Skilled Nursing Resident Power Survey is a best-practice-based short-format survey. Its questions cover all of the areas in the skilled nursing community that have a significant impact on resident satisfaction and on the likelihood that residents and their families would recommend the community to friends and others.

AFFINITY PARTNERS

LeadingAge Illinois Affinity Partners are vendors that offer discounts on products or services to our Provider Members. Our Affinity Partners are approved and selected by LeadingAge Illinois Staff and Board of Directors. Our partnership involves a co-branded effort in promoting significant savings to members, as well as a revenue share opportunity for the association, which enhances our ability to provide quality education and support for members. Visit the LeadingAge Illinois website, www.LeadingAgeIL.org, for the current list of partners.

CONFERENCES

ANNUAL MEETING & EXPOSITION

Take time to re-energize your passion for adult life services, focus on the future of care, and take a step back to see the big picture. The LeadingAge Illinois Annual Meeting & Expo, held every spring, has advanced educational sessions led by nationally renowned speakers, opportunities to connect with old friends and network with new faces, and an Expo floor populated with solutions for your organization's most important needs.

SENIOR LIVING CONFERENCE

Learn more about how our industry is changing and how you can stay ahead of the curve to provide the best services for seniors today and into the future. Attend educational courses facilitated by experts and national leaders in the senior living field, expand your knowledge and discover the latest products and services at the exclusive expo, and network with familiar colleagues while making new connections.
